

Woodloch Schooling & Fun Show

Saturday, October 7th, 2017 – 9:00am Start

The Schooling & Fun Show is an opportunity for **Woodloch's students and boarders** to experience showing in a fun and relaxed atmosphere, to practice the skills learned in lessons, and to have the opportunity to build some camaraderie with other students and Woodloch boarders.

The show is organized based on class type and ability level. Riders can choose (with the approval of their instructor) to ride in Walk/Trot or Walk/Trot/Canter classes based on their ability and previous show experience. All classes are judged on performance, accuracy, and skill. Dress neatly with proper riding boots, jeans or breeches, and a shirt/jacket based on the weather. Formal show attire is not required, but **helmets are required**. The class types are:

- **Western Horsemanship Rail:** Rider and horse are judged at the walk/trot or walk/trot/lope on the rail in both directions. Judged on rider's ability and correct use of aids.
- **Ribbon Rail:** Two riders walk/trot/halt/reverse or walk/trot/lope/halt/reverse side by side on the rail while holding an 18" crepe paper ribbon between them. Pairs are eliminated if ribbon is dropped or broken. Last pair holding ribbon wins.
- **Ribbon Race:** A timed pattern in which two riders walk/trot or walk/trot/lope around a barrel while holding an 18" ribbon between them. Fastest time while still holding ribbon wins. Riders can compete in more than 1 pair.
- **Speed and Action:** A timed pattern in which rider and horse begin at a halt in a box made from 4 poles, then walk/trot or walk/trot/lope to and around a barrel at the far end of the arena. Rider and horse must then halt within the box and remain standing still for 5 seconds while mounted. Fastest time (including 5 second halt) wins.
- **Best Dressed Pony:** This class is meant for pony lesson students to enjoy dressing up and decorating their favorite pony.
- **Lead Line:** Pony or horse is saddled with rider, is led by an adult (16 or older) who is dressed in proper western attire. The Judge will be looking for riders to have a confident seat with heels down, shoulders back, quiet hands and to display some knowledge of how to steer their mounts. A big smile can't hurt either!
- **Ride-a-buck:** Student rides horse at walk, trot, and/or canter while keeping the play money in-between the leg and the saddle, or ride bareback with the money between thigh and horse.
- **Pony Horsemanship Rail:** Rider and horse are judged at the walk/trot on the rail in both directions. Judged on rider's ability and correct use of aids. This class is meant for students currently enrolled in the pony lesson program from the ages of 3-11
- **Egg & Spoon:** Each rider will receive one egg and one spoon. The riders will be asked to go through the different gaits while keeping their egg on the spoon. When the rider's egg drops, the rider is out.

Instructors and show organizers reserve the right to assign horses and place students in classes that are deemed appropriate. We want each student to have a positive experience, and we assign horses and classes that will sufficiently challenge and encourage students. Horses and classes will be determined in an effort to make the a fun and rewarding experience for all riders! For pony assignments, you will talk directly to Kelly or Ingvill to know what pony your child will be using for the fun show AND who they will be sharing with.
